

**A** Match the words in the circle on the left with the words in the circle on the right to make collocations. One of them is written as one word.

- PIN
- address
- bank cash
- debit computer
- computer junk
- personal
- pass identity

- viruses
- emails
- account book
- information
- programmer card
- number word
- machine theft

**B** Complete the gaps in the sentences, using the collocations from A.

- 1 My dad has been a \_\_\_\_\_ for 20 years.
- 2 I receive about 50 \_\_\_\_\_ a day. It really gets on my nerves!
- 3 The \_\_\_\_\_ swallowed my card, because I entered the wrong \_\_\_\_\_ three times!
- 4 I'm going to set up an online \_\_\_\_\_, as it'll be much easier to manage my money.
- 5 Worryingly, \_\_\_\_\_ is becoming more and more common nowadays.
- 6 I have loads of people in my \_\_\_\_\_ that I'm not in contact with anymore.
- 7 I've forgotten my \_\_\_\_\_, so I'll have to reset it.
- 8 I need to get some new software to protect against \_\_\_\_\_.
- 9 You must be really careful about the \_\_\_\_\_ you share with other people.
- 10 I think I'll pay by \_\_\_\_\_, because I might need my cash later.

**C** Complete the questions, using collocations from A.

- 1 How many \_\_\_\_\_ do you receive every day?
- 2 Have you ever forgotten your personal information, for example a \_\_\_\_\_ or \_\_\_\_\_?
- 3 Do you think being a \_\_\_\_\_ would be interesting?
- 4 Do you usually pay by \_\_\_\_\_ or in cash?
- 5 When was the last time you took money out of a \_\_\_\_\_?
- 6 How many contacts do you have in your \_\_\_\_\_?

**D** Work in pairs. Ask and answer the questions from C. Remember to give as much information as possible!
