A Label the pictures with the words below.

| ant   bee   butterfly   camel   koala   lizard   monkey   owl   parrot   penguin   snake   turtle |
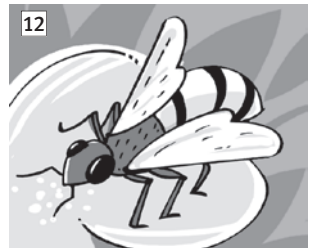

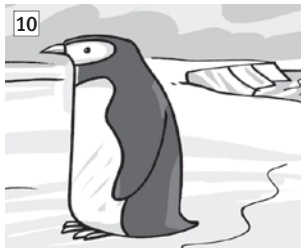

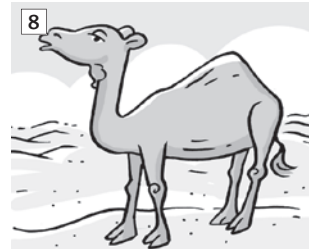

**B** Put the animals from A into the correct column in the chart. Which other animals can you add to the groups?

Reptiles	Mammals	Birds	Insects

C Work in pairs. Take turns to think of an animal. Your partner has 20 questions to guess the animal. The questions must be yes / no questions. Use the ideas below to help you.

Is it... a reptile? a mammal? a bird? an insect?
Does it live in... the sea? the forest? the desert? the jungle?
Does it live in... Europe? South America? Asia?
Does it eat... meat? plants? insects?
Is it... black? grey? brown? white?
Does it... fly? move quickly? move slowly?
Is it... dangerous? intelligent? fierce?
Is it... bigger / heavier / taller / faster... than a...?

Is it a mammal?

Yes, it is.

Does it live in the jungle?

No, it doesn't.
